

Cboe IBIG Investment Grade Corporate Bond Index Futures

Cboe Futures Exchange, LLC (CFE) plans to offer the first cash-settled futures on the iBoxx iShares USD Investment Grade Corporate Bond Index (IBIG).¹ Designed to leverage the deep and liquid iShares ETF ecosystem, IBIG measures the performance of U.S. dollar-denominated investment grade corporate debt, and offers broad coverage of the liquid U.S. investment grade corporate bond universe.

Cboe IBIG futures allow market participants to:

- Gain broad exposure to the \$8.8 trillion U.S. corporate bond market
- Hedge credit risk in corporate bond portfolios
- Allocate to the corporate bond market quickly and efficiently
- Implement fixed income trading strategies using convenient, standardized vehicles

Summary Product Specifications

Contract Name/Ticker:	Cboe iBoxx iShares USD Investment Grade Corporate Bond Index Futures. Ticker symbol: IBIG
Description:	IBIG futures are cash-settled futures on the IBIG Index, which provides a measure of the U.S. dollar denominated, investment grade corporate bond market. IBIG futures contracts are to be listed for trading on Cboe Futures Exchange and regulated by the Commodity Futures Trading Commission.
Contract Multiplier:	\$1000 per futures contract.
Minimum Price Intervals:	0.01 index points (equal to \$10.00 per contract). The individual legs and net prices of spreads in IBIG Index futures may be in increments of 0.01 index points.
Trading Hours:	The trading hours for IBIG Index futures are: Monday – Friday 8:30 a.m. to 3:15 p.m. The trading hours for an expiring IBIG futures contract end at 2:00 p.m. on its final settlement date. All times referenced are Chicago time.
Final Settlement Value:	The final settlement value of an expiring IBIG Index future shall be the closing index value of the applicable IBIG Index on the final settlement date as determined by IHS Markit Ltd. The final settlement value will be rounded to the nearest \$0.01.
Final Settlement Date	The final settlement date for an IBIG Index future is the first business day of the calendar month denoted by the ticker symbol for the contract. If the final settlement date is a CFE holiday, the final settlement date shall be the business day immediately following the holiday.
