Please fax/E-Mail this document to CBOE's API group at 312-786-7409 / [API@CBOE.COM](mailto:API@CBOE.COM). You will be contacted when the setup is complete.

**Notes:** (1) Access to Market Replay is based upon individual accounts and requires strong authentication. A maximum of two accounts will be given out per firm.

(2) It is the responsibility of the authorized requester to contact CBOE's API group at 312-786-7300 to disable access for any firm accounts that should no longer have Market Replay access. In addition, CBOE will contact the authorized requester on a quarterly basis to validate that the individuals who are given access to Market Replay still require Market Replay access.

(3) Your use of Market Replay is subject to the Terms and Conditions of the CBOE Web site located at: <http://www.cboe.com/Common/TermsConditions.aspx>
