

Market Access Portal (MAP) Access Form

Trading Privilege Holder (TPH) Organization Name:	
First and Last Name of User:	
User Email Address:	
Current RSA User Login ID, if any:	
IP Address: (Please contact your network admin group to determine the external public internet IP that the TPH sends all Internet browsing traffic through. In most cases browsing to http://www.cboe.com/myip/ from the PC you wish to access the application from will display the appropriate IP address to list here. This is not the IP address of your PC, and cannot be a 10.x 172.16.x or 192.168.x address. Note that this application is only available via the Internet.)	
Role Type (check one): User Role: access to Home Page and Logins Authorized Signatory Role: access to all available features	Trading Privilege Holder (TPH) Clearing Trading Privilege Holder (CTPH) <input type="checkbox"/> TPH User <input type="checkbox"/> CTPH User <input type="checkbox"/> TPH Authorized Signatory <input type="checkbox"/> CTPH Authorized Signatory
Authorized Signatory of TPH (Name):	
Authorized Signatory Title:	
Authorized Signatory Phone:	
Authorized Signatory Email Address:	
Authorized Signatory Signature:	
Date:	

Please email the completed form to registration@cboe.com. The user will be contacted when the setup is complete.

It is the responsibility of an authorized signatory of the TPH to contact the Registration Services Department to disable access for any account that should no longer have access. In addition, CFE may contact the authorized signatory on a quarterly basis to validate that the individuals who are given access to MAP still require access.

Your use of Market Access Portal is subject to the [Terms and Conditions for Use of CBOE Websites](#).
