

## CFE Regulatory Circular RG17-004

**Date:** May 1, 2017  
**To:** CFE Trading Privilege Holders and Market Data Recipients  
**From:** Business Development Division  
**RE:** Updates to CFE Fee Schedule

---

CBOE Futures Exchange, LLC (CFE) is making the following changes to its Fee Schedule effective on the business day of May 1, 2017.

### Historical Data Reports

CFE is changing the prices of Open High Low Close (OHLC), Spot Value, Tick Data, and Book Depth historical CFE market data reports.

### Historical Data Redistribution Fee

CFE is adding a historical data redistribution fee that is applicable to any Vendor that distributes historical CFE market data to unaffiliated third parties.

### Additional Information

CFE Trading Privilege Holders and market data recipients may refer to the updated [CFE Fee Schedule](#) that will be posted on CFE's website for additional detail.

Questions regarding CFE market data fees may be directed to John Tornatore ([tornatore@cboe.com](mailto:tornatore@cboe.com) or 312-786-7715).
