RE: Discontinuation of Market Replay Access

Cboe Futures Exchange, LLC (“CFE”) is issuing this circular to inform Trading Privilege Holders (“TPHs”) that CFE will be discontinuing access to Market Replay on October 7, 2019. At that time TPHs will no longer be able to access the historical CFE data from prior to February 25, 2018 that is currently available in Market Replay. (CFE discontinued its population of new data in Market Replay beginning with the February 25, 2018 trade date, which is the date when CFE’s migration to Bats technology was completed.)
